

TropiKool 25L Portable Freezer/Cooler

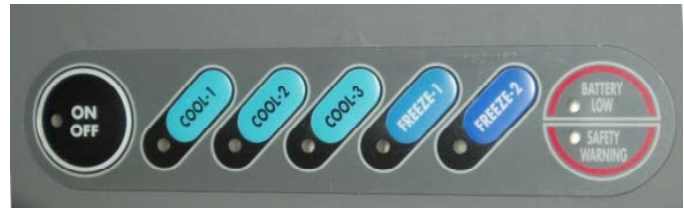

TropiKool – 25L Main Features

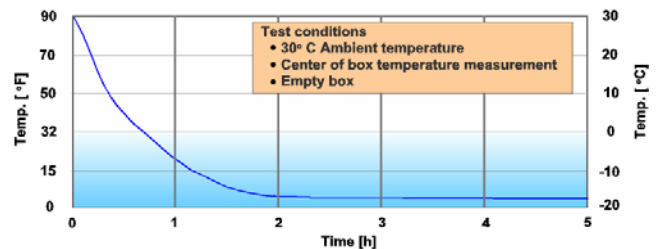

- ◆ FPSC (Free Piston Stirling Cooler) Oil-free Linear-motor cooling system
- ◆ Large Volume – 25L
 - 37ea 12 oz cans
 - 25ea 16 oz bottles
 - 6ea 2L PET Bottles
- ◆ Low 12vdc Power Consumption
 - Max power consumption 48 W
 - Steady power consumption: 20 W in cool mode
 - Steady power consumption: 25 W in Freeze mode

- ◆ Precise Temperature Control – 5 temperature control settings
 - Cool 1 mode 50°F (10°C)
 - Cool 2 mode 43°F (6°C)
 - Cool 3 mode 35°F (3°C)
 - Freeze 1 mode 19°F (- 7°C)
 - Freeze 2 mode 0°F (- 18°C)

- ◆ High reliability – Long life gas bearing technology
 - ◆ Greater tolerance to temperature
 - ◆ No oil or lubricants required
- ◆ Superior performance in high ambient temperature conditions
 - Fast temperature cool down
 - Will maintain 0°F box temperature at 90°F ambient temperature

◆ Specifications

Dimensions:	Width	Depth	Height
External	27.5"	13.75"	18.25"
Internal	13.25"	8.90"	13.40"

Weight: Less than 31 lb

Noise: Less than 40 dB
